

American Association for Laboratory Accreditation

February 17, 2006

Dee Cutera
Microbac Laboratories, Inc., KTL Division
Division
3323 Gilmore Industrial Blvd.
Louisville KY 40213

Dear Ms. Cutera:

Pursuant to your request, we are writing to confirm that your laboratory has been found to meet the A2LA Kentucky Underground Storage Tank Laboratory Accreditation Program Requirements applicable to Kentucky statute KRS 224.60-130(2)(a) with respect to the following tests under this program: EPA methods SW 846 625, 6010B, 8015, 8015B, 8260B, 8270C.

Sincerely,

A handwritten signature in black ink, appearing to read 'Atefeh Fathi', is written over a faint, light-colored signature line.

Atefeh Fathi
Laboratory Services Officer

cc: A. Keene

Master Code: 121573
Cert No(s): 0085.02, 0085.03
