LETTER OF CERTIFICATION

February 25, 2018

Megan Rothgerber
Microbac Laboratories, Inc.
Kentucky Testing Laboratory Division
3323 Gilmore Industrial Blvd
Louisville, KY 40213

Dear Ms. Rothgerber,

The Indiana State Department of Health drinking water microbiology laboratory certification program, has reviewed your request to become a certified laboratory for Microbiological analyses of drinking water in the state of Indiana, pursuant to the requirements under the Safe Drinking Water Act (SDWA) 42 U.S.C. 300f et seq., the National Primary Drinking Water Regulations (NPDWR) 40 CFR 141 and 142, and the Indiana Primary Drinking Water Regulations (IPDWR) 327 IAC 8-2.

Your submittal package contained certification information for the state of Kentucky, citing on-site inspections, and the analysis of water supply (WS) proficiency testing (PT) samples from a Kentucky approved proficiency testing program. In accordance with the reciprocal agreement with the Kentucky laboratory certification program, Microbac Laboratories, Inc -KTL of Louisville, Kentucky; is hereby extended an Indiana certification to perform microbiological analysis of drinking waters.

- Microbac Laboratories, Inc. is granted Indiana certification for the detection of total coliform and *Escherichia coli* by Total Coliforms and *E. coli* by SM 9223B (Colilert MPN & P/A and Colilert-18 MPN & P/A) and Heterotrophic Plate Count by SM 9215B (Pour Plate Agar).
- This certification is valid until **December 31, 2018**, the corresponding expiration of your Kentucky certification or until such time that the laboratory status change and the certifying authority of Kentucky revokes the validity of the certification.
- The laboratory has been assigned identification number **M-KY-02**. This number is to be used on all compliance monitoring reports of Indiana public water supplies submitted to the Indiana Department of Environmental Management (IDEM).

To maintain your Indiana certification, you are required to provide the following documents, as they become available:

- Updated Kentucky certification status
- Yearly Indiana registration fee (as invoiced).
- Yearly Indiana registration form (as requested at the beginning of the year).
- Annual PE study report (copy of the report should be sent directly to our certification office from the provider).

For further information, questions or if you need clarification regarding this certification please contact Katie Sullivan, ISDH Microbiology Laboratory Certification Officer, at (317) 921-5505 or KatSullivan@isdh.in.gov

Sincerely,

Judith C. Lovchik
