LETTER OF CERTIFICATION

March 23, 2012

Andrew Clifton
Microbac Laboratories, Inc.
Kentucky Testing Laboratory Division
3323 Gilmore Industrial Blvd
Louisville, KY 40213

Dear Mr. Clifton,

In accordance with the reciprocal agreement with Kentucky Environmental Laboratory Certification Program, your laboratory is hereby extended an Indiana certification to perform microbiological analysis of drinking waters. The following determination is in effect pending the result of your next Kentucky certification program evaluation:

- Microbac Laboratories, Inc. is certified for SM9223B (Colilert PA/MPN), SM92223 (Colilert MPN) for the enumeration of *E. coli* and SM9215B (Heterotrophic Plate Count) method for the enumeration of heterotrophs.
- This certification is valid for the period ending December 31, 2012.
- To maintain your certified status, your laboratory must:
 1. Annually perform a satisfactory analysis of Performance Evaluation samples
 2. Submit the yearly Indiana water registration form and other requirements deemed necessary by the Indiana Water Microbiology Certification Program.
- Your Indiana laboratory number is M-KY-2. All reports used for compliance monitoring of public water supplies to IDEM must display the identification number.

If you have any questions or require clarification concerning this letter, please contact Mary Robinson, ISDH Microbiology LCO, at (317) 921-5523 or mrobinson@isdh.in.gov.

Sincerely,

Judith C. Lovchik, PhD, D(ABMM)
