Dear Jill M. Gee,

The following facility was inspected 7/22/2010:

Microbac Laboratories, Inc.
1962 Wager Road
Erie, PA 16509

The facility has been approved by APHIS under Regulation (EC) 1774/2002 as a laboratory to conduct aerobic tests.

The facility has been granted APHIS Reference Number PA-LAB-0002. This exact number must appear on the export certificates reference above, and should be included on future correspondence with this office regarding this approval.

In order to retain this approval, the facility must continue to operate under Regulation (EC) 1774/2002 and all notarized forms provided during the approval process. The facility is subject to unannounced compliance inspections throughout the year to verify this continued compliance.

Lastly, I would like to remind you that the facility must complete the renewal process no later than 7/22/2011. Please contact this office approximately 5/23/2011, to initiate the re-approval process.

Please let me know if you have any questions or concerns.

Sincerely,

F. Douglas Brown Jr. D.V.M.
