

State of Kansas

Department of Health and Environment

CERTIFICATE

This is to certify that Certification No.: E-10397

Microbac Laboratories, Inc. - Chicagoland Division

250 West 84th Drive
Merrillville, IN 46410

has been accredited in accordance with K.S.A. 65-1,109a under the standards adopted in K.A.R. 28-15-36 for performing environmental analyses for the parameters listed on the most current scope of accreditation. Continuous accreditation depends on successful, ongoing participation in the program. Clients are urged to verify with this agency the laboratory's certification status for particular methods and analytes.

Effective Date: 2/1/2022

Expiration Date: 1/31/2023

Myron Gunsalus
Director
Office of Laboratory Services

Carissa Robertson
Certification Section Chief
Office of Laboratory Services

The Kansas Department of Health and Environment encourages all clients and data users to verify the most current scope of accreditation for certification number E-10397

The analytes tested and the corresponding matrix and method which a laboratory is authorized to perform at any given time will be those indicated in the most recently issued scope of accreditation. The most recent scope of accreditation supersedes all previously issued scopes of accreditation. It is the certified laboratory's responsibility to review this document for any discrepancies. This scope of accreditation will be recalled in the event that your laboratory's certification is revoked.

Accreditation Start: 2/1/2022 Accreditation End: 1/31/2023

EPA Number: IN00054

Scope of Accreditation for Certification Number: E-10397
