Dear Dr. Williams:

The Indiana Department of Health, Environmental Microbiology Laboratory Certification Office, has reviewed your request to become an Indiana certified laboratory for the bacteriological analyses of public drinking water. Based on the submitted Kentucky document(s), and based upon the recommendation of the Water Microbiology Laboratory Certification Officer, the Indiana Department of Health issues the following determination:

Microbac Laboratories, Inc. is certified for:

- Total Coliforms and E. coli by **SM 9223B (Colilert MPN & P/A)**;
- Total Coliforms and E. coli by **SM 9223B (Colilert-18 MPN & P/A)**;
- Heterotrophic Plate Count by **SM 9215B (Pour Plate Agar)**; and
- Heterotrophic Plate Count by **SimPlate**

This certification is valid for the period ending **December 31, 2025**. Indiana certification has been continuous and uninterrupted since last issued, May 9, 2024.

To maintain your Indiana certification, you are required to provide the following, as they become available:

- Updated Kentucky certification status
- Yearly Indiana registration fee (as invoiced).
- Yearly Indiana registration form (as requested at the beginning of the year).

To promote, protect, and improve the health and safety of all Hoosiers.
